

## **Hotels Etc. distributorship**

### **Can I print marketing materials or do I have to purchase them through Hotels Etc.?**

If it is available in the distributor shopping cart then you must purchase through our shopping cart. If we do not have what you are looking for email [support@hotelsetc.com](mailto:support@hotelsetc.com) as we might have it on our server. Keep in mind, Hotels Etc. is a registered trademark, if you print materials with our logo or name then the corporate office has to approve the proof before you print.
