

Hotels Etc. distributorship

How do I market, what is the first step you recommend.

There are so many ways to market your Hotels Etc. business however we recommend starting with social media. You can visit <https://makeawebsitehub.com/social-media-sites/> to see the top 60. Be sure to link them all together and post daily to obtain followers and social juice. We also encourage you to set up a blog and post unique content daily. Be sure to link your social accounts and website to your blog to bring traffic.

Hotels Etc also offers many marketing options in your back office. We update this frequently, so be sure to check back often!
